DESCRIPTION:

OVER-THE-TOP SOYBEANS DS is a proprietary dry soluble formulation of major and micronutrients designed for use on soybeans and other legume crops. It is fortified with carboxylates and natural plant extracts derived from Ascophyllum nodosom.

COMPATIBILITY:

OVER-THE-TOP SOYBEANS DS will be compatible with most insecticides and fungicides. When compatibility is unknown, always conduct a standard jar test prior to tank mixing.

APPLICATION:

Apply as a fine foliar mist to canopy of the crop. Do not overspray to runoff. Apply 5-6 hours prior to rain or sprinkler type irrigation. Best results will be realized in fields with adequate moisture and soil fertility.

RATES AND DIRECTIONS

- Apply one pound per acre at:
1. Past third trifoliolate
 2. Early bloom to podding (R-1 to R-3)

WARRANTY AND CONDITION OF SALE: Manufacturer warrants that this material conforms to the chemical description hereon and is reasonably fit for use as directed. No other warranty is made, either expressed or implied. Buyer and user, therefore, acknowledges and assumes all risk and liability resulting from handling, storage, and use of this material.
